

Raja Ramanna Centre for Advanced Technology

Indore, Madhya Pradesh, India 452 013

‘Swachhata-Hi-Seva’

(15 September 2018 to 02 October 2018)

Action Taken Report

1. Objective

The objective of the celebration of the ‘Swachhta Hi Seva’ fortnight, as a part of the ‘Swachh Bharat Mission’, was to take up sanitation initiatives, mobilise people and reinforce the mass movement for cleanliness to contribute to Mahatma Gandhi’s dream of a Clean India. In this regard, the DAE had forwarded a letter, D.O. letter No.D-31013/01 /2018-Ad-II dated 13.09.2018, received from the Department of Personnel & Training, Ministry of Personnel, Public Grievances and Pensions, New Delhi, to take up programmes under the above mission.

In this report, various programs taken up by this centre have been briefly described here.

2. Background

Raja Ramanna Centre for Advanced Technology is a unit of the Department of Atomic Energy, Government of India, (www.rrcat.gov.in). The campus encompasses technical area consisting of laboratories, workshops, and offices, as well as residential colony with housing for staff with amenities like school, sports facilities, shopping complex, gardens etc. The campus is spread over a 700 hectare site on the outskirts of Indore city, out of which 177 hectare area is demarcated for residential purpose.

Periodic cleaning campaigns are organized in the campus in which staff members, Atomic Energy Central School (AECS) students and teachers, CISF employees and colony residents take active part.

3. Execution of ‘Swachhta Hi Seva’ Action Plan

The following was executed during the fortnight:

Category	Description	Result
Hands-on work:	Cleanliness drive in the technical area: RRCAT Head of Divisions would conduct cleanliness drive inside and around their divisional buildings.	All of the divisions / Independent sections actively participated in the cleanliness campaign held during the fortnight.
