Action Taken Report / कार्रवाई रिपोर्ट

1. Objective

The objective of the celebration of the 'Swachhta Pakhwada' fortnight, as a part of the 'Swachh Bharat Mission', was to take up sanitation initiatives, mobilise people and reinforce the mass movement for cleanliness to contribute to Mahatma Gandhi's dream of a Clean India. The secretary, DAE, conveyed through letter No. 4/8(4)/2018-SSS/230 dated 12/02/2019 to observe **Swachhta Pakhwada** from February 16 to 28, 2019, and undertake innovative swachhta related initiatives during the Pakhwada.

In this report various programs taken up by this centre have been briefly described.

2. Background

Raja Ramanna Centre for Advanced Technology is a constituent unit of the Department of Atomic Energy, Government of India, (www.rrcat.gov.in). The campus comprises technical area consisting of laboratories, workshops, and offices, as well as residential colony with housing for staff with amenities like school, sports facilities, shopping complex, gardens, etc. The campus is spread over a 700 hectare site on the outskirts of Indore city, out of which 177 hectare area is demarcated for residential purpose. Periodic cleaning campaigns are organized in the campus in which staff members, Atomic Energy Central School (AECS) students and teachers, CISF employees and colony residents take active part.

Report on Swachhata activities taken up during Swachhata Pakhwada from 16th to 28th February 2019

To comply with the instructions of DAE, UHVTS decided to clean the backyard of the UHVT building by sending the scrap material accumulated there to the IRSU. An onsite meeting of the senior officials was called to identify the scrap material and a list was made. Four officers (two from electronics and two from mechanical) were given the responsibility of supervising the job. IRSU was requested to send a tractor trolley with four labours to collect the material and take it to IRSU yard. In the process, following items have been sent and the vacated space has been cleaned for appropriate use:

1. Different types of used and damaged cables
2. Non-functional instruments
3. Obsolete manuals
4. Broken Chair
5. bench vice
6. Metallic pieces etc.

Pl find below few photographs below before and after the activity:

Awareness Creation

Under the agenda of awareness creation, UHVTS decided to educate two female sweepers (contractual labours) who come daily to UHVT building for cleaning. They were told about importance of cleanliness on regular basis, proper way of cleaning, safety gears such as gloves, masks to be used while cleaning, self cleaning at the end of work, etc. They were imparted hand-on training for using vacuum cleaner. Photographs showing the same is attached herewith. A video is also recorded in which the labours are seen using the vacuum cleaner.

Sub: Swachhata related activities conducted at Computing Division during Swachhata Pakhwada February 16-28, 2019.

Computer Division continues to spread swachhata awareness by performing Swachhata related activities. Following two event were organized during Swachhata Pakhwada February 16-28, 2019 and staff members enthusiastically participated in both the events.

1. Swachhata Abhiyaan:

Computer Division (CD) continued to spread swachhata awareness by performing Swachhata Abhiyaan on February 17, 2019, as part of celebrating Swachhata Pakhwada February 16-28, 2019. The Abhiyaan spread inside the buildings and across the surrounding areas of four buildings under the purview of CD; namely IT Building-A, IT Building-B, IT Building-C and SIRC Building. Around 50 members participated in the Swachhata Abhiyaan, which included regular employees of CD, contractor's staff and M.Tech. students.

Abhiyaan begun by taking a swachhata pledge, administered by Dr. Anil Rawat, Head, CD. The labs, working places, various rooms etc. were also inspected and found up to the mark. During the drive the surroundings of the above building have been cleaned where some garbage was littered.

The Abhiyaan was concluded with issue of general instructions regarding maintenance of cleanliness and personal hygiene in the office premises. The staff members were encouraged to continue spreading awareness regarding swachhata.

2. Quiz on Swachhata:

One quiz was conducted on February 28, 2019 to increase awareness on Swachh Bharat Abhiyaan among staff members. Around 45 members (including regular employees of CD, contractor's staff and M.Tech. students) participated very enthusiastically in this Quiz.

Quiz questions were related to Swachh Bharat Abhiyaan, cleanliness and personal hygiene.

Following are some of the photographs taken during Swachhata Abhiyaan and Quiz event.
